### PRODUCT DESCRIPTION

Solar garland with colorful balls by POLUX, will be a decorative and practical lighting for your garden. The round shape of the solar frames will perfectly highlight the company of larger green plants. The balls fit black wire with a length of 5.8 meters. Solar lighting is both practical and environmentally friendly. Using the presented garland will provide a fantastic visual effect. The perfect way to spend a warm summer evening in such atmospheric lighting. Thanks to an unusual play of lights and shadows, you will emphasize the atmosphere of the garden and bring a unique atmosphere to the surroundings of the house. Chain with balls will illuminate your garden with a soft, colored RGB light coming out of the transparent balls. Such a little thing in your garden will surely create a charming atmosphere conducive to long evening meetings in the garden and will enchant every guest. Thanks to solar lighting, your garden will be delightful both in summer and in winter. 20x DIP LED - has a very I
